

EDISON INVENTION AD

Create a newspaper advertisement for one of the following:

LIGHT BULB or PHONOGRAPH

Design a newspaper advertisement to promote one of Edison's inventions. The title should include a "hook" to draw in the viewer, you must include an image, and discuss the benefits of the product for the consumer (consider the effects upon American culture.)

— CHRISTMAS LIGHTING

EDISON MINIATURE LAMPS

for Christmas Trees.

No Danger, Smoke or Smell. Lamps either rented or sold. Full directions furnished, enabling anyone to readily wire and put up the lamps.

Can be used only in houses having electric lights.

Address
